

How do your clients' privacy and security endorsements compare?

Small nonprofits need coverage for privacy breaches and related regulatory investigations. Your clients may be stuck between unaffordable standalone policies and included endorsements that might not provide enough coverage. With Great American, you can offer your clients a privacy and security endorsement to their Nonprofit D&O form for 15% additional premium.

\$100,000 regulatory action limit for:

- Legal fees incurred in response to a privacy loss Regulatory Action investigation
- Fines and penalties the organization is required to pay resulting from a regulatory action (as permitted by law)
- A fund to provide compensation to individuals as required by a regulatory action

\$100,000 privacy event limit for:

- Notifying individuals whose information was compromised
- Legal fees to determine compliance requirements when information is compromised
- Credit monitoring
- Identity restoration services
- The costs to engage a computer expert to identify how information was accessed
